dear Hattie

Well looking back over the year I'd say it was a quite-a nice, at least we had quite a bit-a fun. (If you know what I mean) We had our share of Pizzas and Pallachs tas didn't we? (around school at least) I hope you wont ever forget them especially dear, Skloclowski Jes alias Pizza, Shifty, Bob F. Pete, don B., Ed. the Johnnies, etc. I guess we called go on forever. Remember our trips downtown and the beach. Yes sir. I just hope we can go on having all that fun for a long time to come. We better get each other in some classes next year because then we can pinch each other like we used to in Scien Ouch! There were enough good songs and tas. Aha Haha, I got Ideas, Thinking of you, Harlem Nocturn. And that reminds me of those jazzy assemblies. We almost knock the seats out of joint when that music(?) starts. Any thing I could train you (I mean train you since its carnival year) for is making (I mean encouraging) me to take that Latina. I just love those people that write on this page. Sincerely Page #118. Mickey

Board of Education

MR. JOSEPH F. MRIZEK

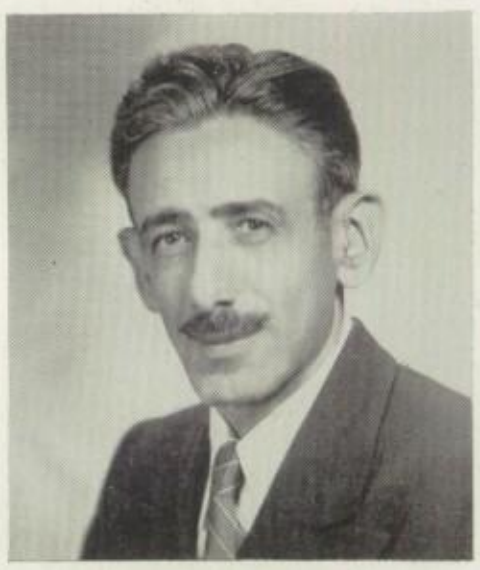
MR. OTTO PECHA

MR. JAMES ZOUREK

MR. EDWARD W. CHODL

MR. CHARLES MATT

MR. GEORGE PROSCH



MR. OTTO OPLATKA

The Board of Education is composed of seven citizens elected by the people of our school district. Constantly having our welfare in mind, the Board passes upon purchases of supplies for the school and recommendations for teachers and other members of the staff. They see that the budget is prepared and levies are made. Although they seldom have any personal contact with the school, they render a great service to it.

Mr. Allen R. Moore

Acting Superintendent

In the capacity of Acting Superintendent, Mr. Moore is the executive officer of the Board of Education and is charged with the responsibilities of the operation of the school in all respects. His spirit of kindness and understanding has gained for him the respect of teachers and students alike. He should be given much credit for the superior manner in which he is filling the difficult position as Acting Superintendent of Morton High School.

Administration Aids

Mr. Paul L. Roise
Acting Assistant Superintendent

In the capacity of Acting Assistant Superintendent, Mr. Roise also has charge of the business offices. He is the first person to come to for requests involving finances. It is his job to care for expenditures for equipment and supplies, and to supervise the general store and the "caf".

Mr. E. W. Green
Director of Public Relations

"Pop" Green, as he is affectionately known to the student body, is the man who officiates at all our assemblies, directs our radio program, and manages all of our outside activities. The way in which he handles his task and his friendly disposition help to make him one of the best known and loved persons at Morton.

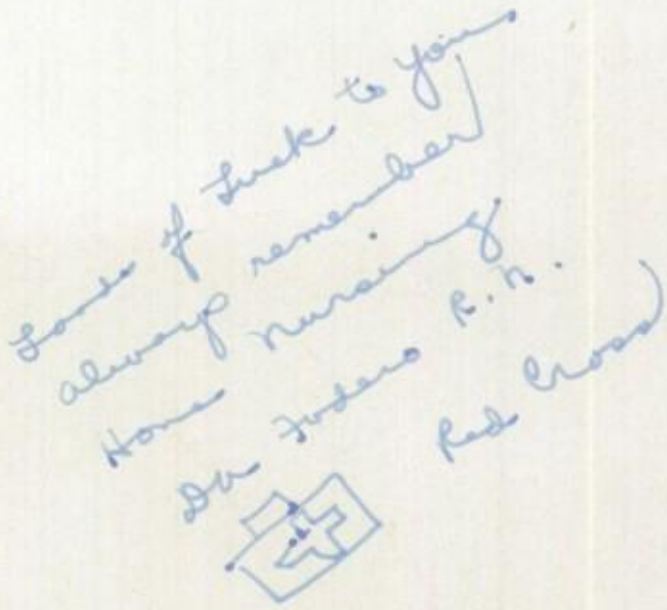
Formula for Success

Building for Tomorrow

Office Staff

Under the able direction of Miss Willmot, the office staff of Room 301 and the Cashier's office goes about its everyday routine of secretarial work for the school. Here the switchboard operator handles the school telephone and all the record-keeping is done. The main job of the Cashier's office is the sale of fee tickets for the commercial, science, home economics, and shop courses.



Medical Department

There is never a dull moment in Room 380 where homepasses and excuses from gym and other classes are issued. Bottles of aspirin are always ready for a sudden headache, and the doctor, dentist, and nurses are there at all times to help with whatever may be the problem.

Cafeteria

The "caf" is without question one of the most popular and busiest places in the entire school. The efficient staff is at work throughout the afternoon feeding both student body and faculty. The fine job being done by this staff is worthy of praise.

Maintenance

It is because of our efficient, if not large, maintenance department that we have our water, heat, and light each day on time. They're always "Johnny on the spot" when a desk needs fixing or a window pane needs replacing. Under the supervision of Ben Smith, they keep thousands of Mortonites comfortable throughout the day.

STUDENT BANK . . . The Student Bank gives Morton students a place to save their money. It also provides practical experience in banking and bookkeeping for the students who work in it. Students working in the bank are chosen on the basis of their merit and scholastic ability. They receive a minor credit after one year's service. The bank is under the supervision of A. J. Frattinger.

TICKET OFFICE . . . "Print your last name first on the red line in the upper left hand corner, and give me your guide card, please." Besides the distribution of bus and "L" passes, the Ticket Office also handles the sale of tickets for athletic and social events, and receives deposits for the March of Dimes and Christmas Seal funds. G.B. Reeve is the adviser.

CAMERA CLUB . . . The objectives of the camera club are to encourage student love and appreciation for the beautiful things in nature and environment, and to promote skill and coordination of eye, hand, and brain in the rendition of pictures which family and friends will enjoy. At the weekly meetings pictures are displayed and ideas are exchanged. Occasionally weekend excursions to various photogenic places in the area are taken. Officers are Alvin Buggele, President, Dan Krakora, Secretary, Eleanor Kenny, Treasurer, and Karen Poulter, Print Chairman. W. B. Hughes advises.

TALENT CLUB . . . If you have any type of talent, this is the club for you to join. Any Morton student is eligible for membership. Students belonging to this club participate in assemblies, give charity performances, and appear on radio and television shows. The Talent club, along with other organizations, sponsors the Annual Talent Show. Office are Sandra Broz, President, Joan Machala, Vice President, Charlene Marshall, Treasurer, and Marilyn Vachout, Secretary. Club adviser is A. P. Kovanic.

SPEECH CORRECTION . . . The speech re-education of Morton serves the orthopedic department, high school, and Junior College. The severe speech problems receive individual attention and later, they are admitted to group therapy. Minor problems in speech may be corrected within two or three months. The correctionist's speech problems include phonatory and articulatory handicaps. Under the direction of Miss F. C. Berry, this club carries on its important work.

DEBATE . . . The Debate Club is for students who enjoy Pro and Con discussions. To become a member a student must maintain a good scholarship and be interested in debating. The club participates in inter-scholastic competition. Mr. W. J. Cherry is the adviser who promotes skill and proficiency in the art of debating.

The Morton chapter of the FHA is a member of the State and National Organizations. Miss H. M. Hawthorne is the adviser.

JR. RED CROSS . . . The Jr. Red Cross has many projects which it carries on through the year. One of these is the filling of boxes which are sent overseas. The Home Rooms cooperate in this work. Sending Christmas gifts to veterans at Hines Hospital is another project of this busy club. The Jr. Red Cross also sponsors the Easter Seal Drive. Delegates from each home room make up the membership. Mrs. A. M. Smenos is the adviser.

NATIONAL THESPIANS SOCIETY . . . Thespians is an honor organization for high school students who are members of the Radio Guild, who are doing exceptional work in radio, or who excell in some form of dramatic work. It was founded in 1929 and began in Morton in 1935. This organization is under the direction of Mr. R. W. Teeter.

The purpose of Thespians is to create a more active and intelligent interest in high school dramatics. The motto of every Thespian is: "Act well your part; There all the honor lies".

The officers of Troupe No. 1144: President, Pat Pelc; Vice-President, Shirley Bedrava; Treasurer, Anne Swanson; Secretary, Marilyn Lesser; Scribe, Ernestine Lawcewicz.

This year **Our Miss Brooks** was chosen as the Senior Play. This play is a modern comedy about the trials and tribulations of a high school English teacher. The part of Miss Brooks was acted by Patricia Pelc. Other main characters were played by Anne Swanson and Don West.

Miss Brooks, who is a popular English teacher, not only has her problems concerning the handsome athletic coach, but she also is given the job of directing the school's Senior Play.

During the course of play rehearsals, Miss Brooks helps bring about a romance between two of her students, makes up with Hugo, the athletic coach, and manages to get into many difficulties.

Finally the night of the play comes. As the Morton Senior Play ends, the curtain is going up on Miss Brook's play.

At the conclusion of the play, Mr. Moore and Miss Reid presented the Coggesel and Carnes trophies to Anne Swanson and Don West. Anne received her trophy for the best portrayal of character, and Don West received his trophy for good diction. Edward Forcash got an honorable mention for good diction.

Somewhere in Morton High School is a forgotten little room, known by its official title, The Annual Office, Room 104. No matter when the office is approached, various loud noises are audible. These noises may range from someone shouting, "Quiet, I'm trying to work," "Hurry up with that smelly glue," or "Why do we have only two typewriters?"

The staff which is chosen in June begins the new semester by selecting the theme for the yearbook. After staff positions have been assigned, layouts are made and pictures are taken. Mr. Fox, the experienced adviser of the Annual, can constantly be heard reminding the students of the dreaded deadline which is quickly approaching. The hum of activity gradually becomes louder, reaching its climax in the middle of March.

During the early part of the second semester, Mr. Fox took a sabbatical leave. While he was away, Mrs. Williams was given the task of advising the staff.

Much energy and time must be spent selling the Annual to the student body of Morton. The students are continually told of the Annual sale deadline; but after the deadline has arrived, there are still students wanting to buy the yearbook. Besides assembling this book, the Annual staff spent enjoyable hours together out of school at picnics, bowling parties, press meetings with other schools, and ball games.

After the Annual is completed, everyone breathes a sigh of relief and is thankful but regretful that the work is over.

One of the rooms of the new building is occupied by the Mortonian Weekly Staff. This large staff has the even larger responsibility of producing a four page newspaper issue every week. The first and third pages of this issue contain school news; the second page contains literary contributions, and the fourth page contains sports news.

The staff is composed of representatives of the student body who handle the work which may consist of interviews, sports stories, or literary compositions. This practice is often beneficial to the students who pursue journalism.

Last year the Weekly received the Columbia Scholastic Press Association at Columbia University in New York on March 14, 1952. The Weekly Staff are members of the National Scholastic Press Association, Columbia Scholastic Press Association, and International Quill and Scroll.

The Weekly has an extensive exchange system. The exchanges go as far as Egypt and Hawaii.

The able adviser of the Weekly is Miss Gaarder.

The officers of the Weekly Club are Bruce Oudes, President; Joanne Sevcik, Vice-president; Martha Naylor, Secretary-Treasurer (1st semester); Joanne Siemers, Secretary-Treasurer (2nd semester).

SENIOR HONOR SOCIETY . . . The Senior Honor Society is a national organization established for the purpose of promoting the qualities of scholarship, leadership, and dependability. The ultimate consummation of individual initiative and scholastic achievement at Morton is election to membership in the Senior Honor Society.

Elections are held semi-annually, one in December for midyear graduates and the other in May. Of the upper one-third eligible, only fifteen per cent of the senior class and five per cent of the junior class are elected by a vote of both the students and faculty.

This year the officers were: President, Richard Capek; Vice-President, Ben Vondrak; Secretary, Marge Smith; and Treasurer, Jim Wilson.

SENIOR MASQUE AND GAVEL . . . Morton's Masque and Gavel is a chapter of a National Honorary Speech Society, represented in every state in the union. Its guiding purpose is to stimulate and promote the development and improvement of speech in the school and in the community of which it is a part. Its often quoted slogan, "speech for use," typifies the main goal of the society, to give its member a tool which will help him gain friendship, happiness, and lasting success. There is no more serious a drawback in business, social, or domestic life than the inability to express one's self in a pleasing and cultivated manner.

The Masque and Gavel is open to sophomores and juniors. In order to be eligible for membership, a candidate must have completed the requirements for the Junior Masque and Gavel. However, if he excels in drama, debate, and radio, he may upon the recommendation of his sponsor and four classroom teachers be initiated into the Masque and Gavel in the May meeting. He must declare his desire to be a member before March 15th—to Miss F. C. Berry, the sponsor.

Members of the Masque and Gavel are available for announcements of worthy causes in school and community in addition to frequent radio drama, contributions to councelling activities, and speakers for local clubs.

The officers this year were: Donald Hajek, President; Lois Borgeaud, Vice-president; George Banak, Secretary; Faith Roubik, Treasurer; and George Prescott, Sergeant-at-Arms.

QUILL AND SCROLL . . . The International Honorary Society for High School Journalists, more commonly called Quill and Scroll, is an organization dedicated toward the advancement of high school journalism. Eligibility is limited to juniors and seniors who are in the upper third of their class and have done superior work in some phase of journalistic or creative endeavor. Candidates are selected through the recommendation of Mr. Fox or Miss Gaarder who are in charge of Morton's two major publications.

This year there were three high school members. They were: Mary Meikle, Gordon Busby, and Ann Gruthoff.

JUNIOR MASQUE AND GAVEL . . . The Junior Masque and Gavel is an organization which trains deserving underclassmen who wish to become candidates for the Masque and Gavel Honorary Speech Society. Under the able supervision of Miss Berry, the members receive training in the basic principles of speech, are taught to use good diction, to appear at ease before groups, and to speak clearly and effectively. Members must meet certain definite requirements in speech, speak before the Masque and Gavel Society, and maintain at least an average of 85.

Presiding this year: Mabel Kupka, President; Pat Remos, Vice-President; and Katherine Henrici, Secretary-Treasurer.

Music plays an important part in Morton's curriculum, and we at Morton believe our band to be the best in the country.

This year, the Band has given concerts, played at our football games, helped in community affairs, and performed at assemblies.

Dear Hattie,
Its been a lot of fun having you in G.A. for these past 3 years. I'll see you next year when we're all big Seniors. Until then, lots of luck,

Voices of Youth

The Morton Aeolian Choir, under the expert guidance of Mr. C. H. Kickert, is a group consisting of both boys and girls.

This year, the Choir has given us many hours of splendid entertainment. Adding to their many successes in giving concerts, the Choir has appeared on television programs.

We at Morton are very proud to have such an outstanding Choir.

The Glee Club is an organization which is made up entirely of girls.

The Glee Club, along with other vocal groups, contributes a great deal to the enjoyment of every one. They participate in the Christmas programs, perform at teas and other school activities, and give Operettas.

Mr. C. H. Kickert also directs these groups.

Magnetic Music

The Morton Orchestra has put behind them another splendid year in music education and entertainment. It has presented, with the aid of Mr. L. M. Blaha, some very outstanding concerts with talented student soloists.

The New Music Department is quite popular with the students, and, since practice is held every fifth and sixth hours, you may hear, every now and then, a blast of a French horn, the warbling notes of a clarionet, or the rat-tat-tat of some drum.

Music Together!

More of the same!

and Silver Sounds

The Orchestra, in addition to giving concerts, participates in playing for the graduations, operettas, and baccalaureates.

The credit for the Orchestra's fine achievements goes to Mr. Louis M. Blaha, whose fine efforts and hard work have put Morton in the front ranks musically.

Mustangs Fight Valiantly

VARSITY FOOTBALL . . . Morton opened its 1952 football season in a blistering sun losing to R-B 19-0. However, the score by no means indicates the game Morton played, for Morton's total yards gained in rushing and passing almost equaled that of R-B. Fumbling by Morton at crucial points in the game was the deciding factor, for R-B recovered 6 of Morton's fumbles and intercepted a pass for their 3 touchdowns.

Morton's first Suburban league game was a stunning setback at the hands of the Evanston Wildkits. For 3 quarters Morton was held scoreless, but in the final quarter Tisci unleashed a long 45 yd. pass to Gizynski. Ray Scholz's kick made the score 32 to 7 at the final gun.

Playing their only home game of the season at Rockne stadium, the Mustangs were defeated 33 to 7 by New Trier. Morton's single touchdown resulted from a Tisci aerial to Ray Ihde. The conversion by Scholz was good.

After holding Highland Park to a scoreless first half, the Mustang's inability to capitalize on breaks cost them a 14 to 6 win at the host's field. Morton's lone touchdown was scored by Ray Ihde after a Highland Park fumble was recovered. Scholz's kick after the touchdown was no good.

Tie For Seventh Place

In a hard fought battle with Niles, the Morton Mustangs tied 12 to 12. With 30 seconds remaining in the first half, the Trojans drew first blood with a 61 yd. pass. A 48 yd. pass from Tisci to Wagner in the second half tied the score. Niles scored again in the 3rd period, and it looked as though Niles had iced the game. However, with a few minutes remaining Morton marched 64 yds. to Niles' 1 yd. line from where Ray Ihde smashed over to tie the score.

In the second quarter after Morton had driven to the Proviso six-yard line, the Pirates recovered a Mustang fumble thus ending the Mustang's one and only serious threat of the game. The Proviso Pirates went on to win by 18 to 0.

Another link to the chain of defeats by the Oak Park Huskies was added this year. After a hard fought battle the Mustangs were overcome by the score of 40 to 13. The Mustangs weren't able to score until the last quarter when Sam Tisci threw passes to John Melwid and Pat Hendy.

Playing the last game of the season before a large homecoming crowd, the victory minded Mustangs were defeated by the Waukegan Bulldogs 34 to 12 at the victor's field. This brought down the curtain on the 1952 football season. The Morton touchdowns were scored by John Melwid and Sam Tisci, and Bob Spolar tried for the extra points.

FROSH-SOPH . . . Under the helm of Coach Hedtke, this year's Frosh-Soph football team turned in one of the greatest performances since 1945 when the Ponies won the Suburban League title. They had a record of 5 wins and 2 losses and 1 tie.

In the opening game of the season, the Ponies slugged R-B 19-0 after which the Ponies dropped two heartbreakers to Evanston and New Trier, 13-7 and 19-9 respectively.

Chalking up their first win in the Suburban League, the Frosh-Soph overwhelmed the Junior Giants of Highland Park 12-0. The touchdowns were scored by David Kocourek and Bob Hayward.

The Ponies' next victim was Niles who fell to the Morton onslaught 20-0. Trying for their third Suburban league win, Morton ran into a strong Proviso team; but the Ponies managed a 13-13 tie.

To the delight of Morton's spectators, the Morton eleven annihilated the Oak Park Bullpups 22-0. After the game, Coach Hedtke said, "This was our best game of the season so far." The victory was also Morton's first win over Oak Park since 1945.

Closing the season on a successful note, the underclassmen edged Waukegan 7-0.

SOCCER . . . This year's soccer team opened their 1952 season by crushing Tilden Tech 4-0. A week later the Maroons were not so lucky, as they lost to Schurz of Chicago 1-0.

The following game was a return match with Tilden Tech, and once again Morton came out on the long end of the score 6-4. Pete Tsolinas scored the first goal and Tom Remieckis the other two. Chicago high school soccer rules award two points for each goal.

The Maroons came home with their third win out of four games after playing at Lake Forest. The score was 4-0. The Jahelka men defeated Lake Forest 7-0 in a return game.

Defending their Suburban League title at Gage Farm, the team was shut-out by Oak Park, 2-0. However, the Maroons were hampered by several injuries which Coach Jahelka said were the main reasons for the defeat.

In the second game goals by Gale Innocenti and Tom Remieckis were enough to down the Oak Park Huskies and necessitate a playoff game for the Suburban League Title.

Trouncing University High 16-0, the soccermen ended their regular schedule of games and began preparing for the playoff game with Oak Park. However, Oak Park refused to play the game thereby forfeiting the league crown to the Maroons.

The overall record was seven wins and two losses.

Matmen Meet Strong Opposition

WRESTLING . . . Though winning only three out of twelve matches, this year's wrestling team did produce many fine individual stars. The team on the whole this year is made up of many underclassmen, indicating a promising season next year.

After suffering two defeats, the varsity grapplers edged Wheaton 27 to 21. Magliera, Carrigan, Flora, Hendy, and Napolski all won their matches to clinch the meet for Morton. Evanston and New Trier both trampled Morton in the next two games. Morton won their next two meets by defeating Reavis and Wheaton by the scores of 24 to 23 and 23 to 19. Morton lost their last five meets to Proviso, Hinsdale, Waukegan, R-B, and La Grange.

Acting as host to the State Sectional meet, the matmen managed to gain a fourth place by Bob Carrigan, a third by Pat Hendy, and a first place by 'little' Nino Magliera, who is a freshman weighing only 103 pounds. In the State finals Nino managed to win his first match, but was eliminated in the second.

SWIMMING . . . The Morton Merman had an extremely rough schedule this year. They finished the season with three wins and ten losses. However, when the tankmen did win, they really dunked their opponents. The Sea Horses sank Argo twice, 58 to 8 and 51 to 15, and drowned Thornton Fractional 53 to 22.

A tidal wave struck Morton as far as Suburban League competition is concerned. The tankmen failed to win a league meet, though they came close several times. With many juniors returning next year, the Mermen can look forward to a bright future.

The frosh-soph team did quite well compared to the upperclassmen. Beating both Niles and Thornton Fractional twice, while dunking Waukegan once, the underclassmen fell short of a .500 rating by one game. Their record included five wins and six defeats.

Hattie ...
Its really been great knowing you & having you as a friend. Thanks for inviting me to your party. Best of luck, happiness & success
Steve

TRACK . . . The 1953 track team started their season off fast by defeating R-B 58 to 37. The firsts were taken by: Bob Pecka, John Michniak, John Stremple, Phil Scudieri and the relay team of Spagnola, Wolnik, May and Pecka. Against Proviso the Harriers lost in a very close contest 51 to 49.

In a three way meet at Oak Park with Bloom and the Huskies of Oak Park, the Morton trackmen took a 3rd place. In the only home meet of the season in the halls of Morton, the Harriers were defeated by Austin 40 to 30.

Ending the season Morton took fifth place in the Suburban league meet. The Frosh-Soph track team did not win any meets while losing three.

Hopeful Harriers Look To Future

CROSS COUNTRY . . . Opening the 1952 track season at the Proviso fieldhouse, the Morton Harriers were crushed by the home squad 33-15. In the 2 mile race Pelikan, Farrell, Michniak, and Kampe took sixth to ninth place respectively.

Falling four points short of victory, the cross country team lost to Oak Park 30-26. Showing improvement over the previous week's loss, Morton's 2 milers Pelikan, Farrell, and Kampe came in second, fourth, and fifth.

In a four team meet, with Oak Park, Austin, and Steinmetz, Morton finished in third place.

Finishing with a lower score than Steinmetz, the Harriers smashed the home team 84-132. In a tri-team meet with Oak Park and Austin of Chicago, the milers didn't fare so well coming in last with 84 points compared to Austin's 31 and Oak Park's 39.

Out of a field of ten teams Morton finished ninth in the district cross country meet at Glenbard edging out only Reavis.

The Frosh-Soph team also under Coach Kudrnovsky failed to win a meet.

BOXING . . . Since Morton and other Suburban League schools do not participate in an interscholastic boxing schedule, Morton has intramural competition for those boys who want to learn the manly art of self-defense. Coach Jahelka teaches the boxers the main points and provides them with a good physical education program.

Sportsmanship is an essential in every sport, but in boxing it is a requirement of every boy. The strict and protective rules for boxing in high school allows nothing that will bring harm to the participating athletes. The fighters box three 1½ minute rounds with a minute rest between rounds. The boys wear 12 ounce gloves and are required to have a mouthpiece; they must also have a doctor's examination before every bout for their own protection.

When Morton had an interscholastic team, they won three state titles. Even though they are no longer in competition, they practice just as hard as they always did which indicates the good reputation of Morton's sport program.

Netmen Have Fair Season

TENNIS . . . This year's tennis team, under the leadership of Coach Pagakis, was overcome in six out of eight contests. In the first meet of the season, the netmen were defeated 4-1 by Riverside-Brookfield. Ralph Hadac and Bill Dvorak were the only victors taking the doubles match 7-5, 6-2.

In their first Suburban League match, the Pagakis men were shutout 5-0 by Evanston. In the next three games Morton was held to 2 points while their opponents scored 13. The scores were Morton 2—Proviso 4; Morton 1—New Trier 5; and Morton 0—Oak Park 5.

Playing their second home game of the season against Waukegan, Morton shutout their opponents 5-0. Ken Novander, Ron Pancner, and Don Blomgren won their single matches. The racketmen also captured both of the doubles matches.

Morton in their last two games of the season lost to Highland Park 5-0 and defeated Thornton in a non-league match 4-1.

Inexperienced Mustangs

BASKETBALL . . . This year's basketball team had a see-saw season. With the loss of all of the lettermen from last year except one, Ed Lindroth, the varsity looked forward to a bleak season. However, four out of the first ten men on the team will be returning next year. They are Jim "Bones" Novak, Ed Jakab, John Melwid, and Don Truhlar.

The opening game of the season against R-B found the varsity on top 68 to 65 in an overtime. Going into the last quarter the Mustangs were trailing the Bulldogs by five points, but when the buzzer sounded ending the game, the scoreboard read Morton 68 and R-B 65. In the overtime period the Mustangs scored 7 points while holding their opponents to 4.

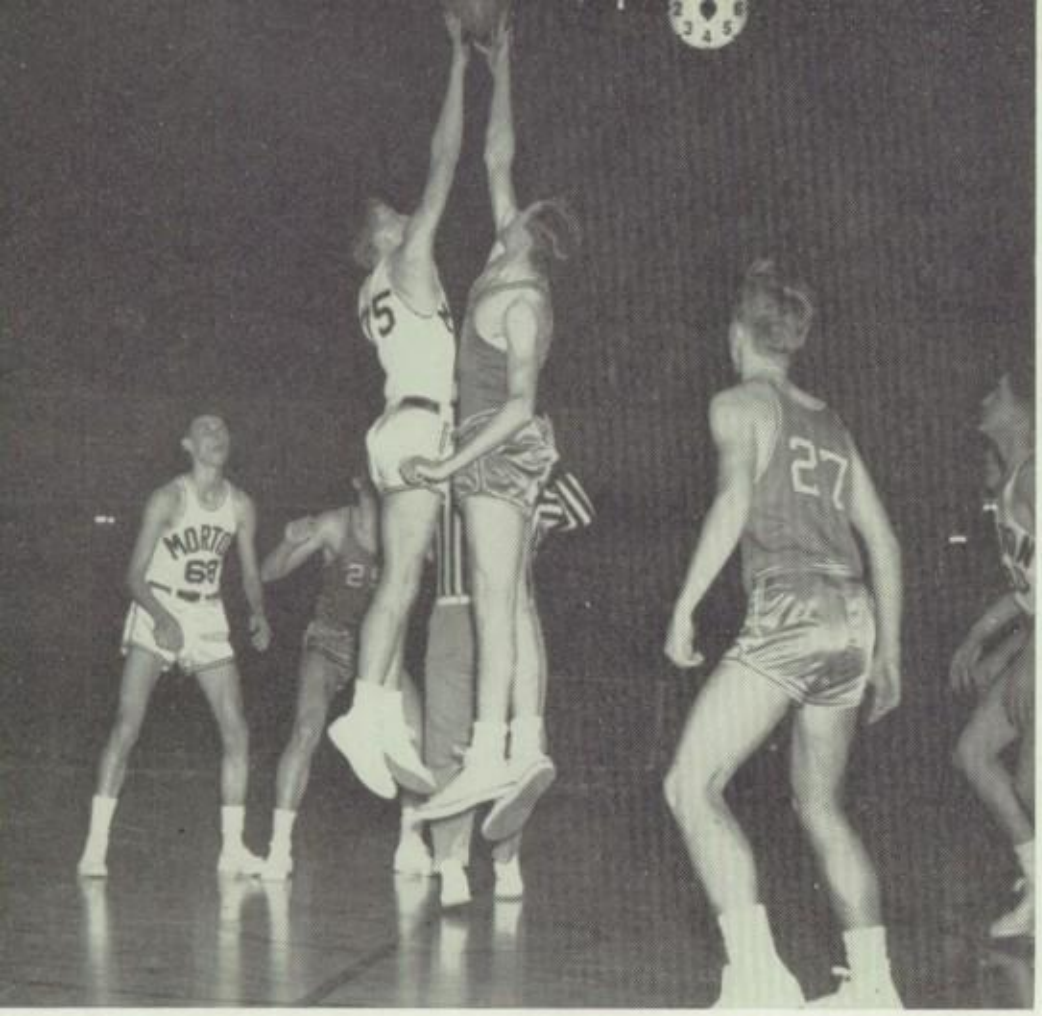
Morton's defending champions opened up defense of their Suburban League crown by edging Waukegan 66 to 57 on the auditorium floorboards. Jim Novak took scoring honors with five baskets and seven free shots for a total of 17 points. The following week our Mustangs weren't quite as lucky. Traveling to Evanston, Morton's hopes were shattered as Evanston gave a fine demonstration of a possessive type ballgame which in the end spelled defeat for Morton. As the score indicates, the game was close; for 43 points were scored by Evanston to Morton's 38. Overcoming the shock of their first defeat of the season, the cagemen got down to business and blasted Highland Park's little Giants 57 to 45.

With this win the Mustangs boasted of a 3 and 1 record and up until this point in the season had made the experts eat their words, for they had predicted a poor season for Morton. Coach Vopicka, with the rest of the Morton Boosters, enjoyed the great spirited play of a team which refused to give in even if they lacked experience.

The rivalry between Morton and Oak Park was evident as both teams gave all they had in the contest played at Oak Park. However, Oak Park's superior height was the factor which Morton could not overcome as the Mustangs suffered a 69 to 78 trimming at the hands of the Huskies.

At the Hinsdale Holiday tournament, the now seasoned Mustangs split two games. The first game found our Mustangs tangling with the always tough Elgin Maroons. The varsity came out

Jim Novak, Ed Lindroth, Lefty Kropacek, John Melwid



"Just Startin'"

Have Fair Season

on the short end of the score which was 38 to 51. However, the cagers fared much better giving the fans something to cheer about by beating Freeport 76 to 51.

The next game showed the Mustangs at their peak. Playing at New Trier against a powerful Terrier team, the underdog Mustangs upset the Green Wave 58 to 56 in a game marked by several sparkling performances by the individual Mortonites.

Ending the first round of the Suburban league with successive victories over Proviso 62-49 and Niles 61-48 found Morton situated in the League standings with 5 wins and 2 losses.

Next the Mustangs traveled to Davenport, Iowa to meet Davenport, three time state champions of Iowa. During the first half the score was tied six times, but the second half, especially the third quarter, was a different story. The Blue Devils scored 20 points while our Mustangs were held to 11. The last quarter found both teams scoring 21 points. The final score was Morton 61, Davenport 72. Bill Bettin led the Mustangs in scoring honors with 14 points.

Returning to the confines of the Suburban League for the second round did not prove beneficial to the Morton win column. The varsity dropped six out of seven decisions, the lone win being over Evanston. Their 6 won 8 lost record in league play brought the Mustangs a fourth place tie with Niles. The overall record was 8 wins and 10 losses.

With the regular season ended, the Varsity entered the State Regional Tournament at Hinsdale. Morton's first foe was Downers Grove. Led by "Lefty" Kropacek's 15 points, the Mustangs rolled over the Trojans 75 to 57. Continuing their winning ways the Mortonites walloped Riverside-Brookfield 80 to 65. Melwid hit for 6 buckets and 6 charity tosses for 18 points, which was high for Morton. Playing for the Regional title, which they have done for the past three years, found our team tangling with the team rated second in the state, La Grange. The Lions, who had won 22 games without a loss, humbled our Mustangs 82 to 39. Lack of height once again caused Morton's downfall.

Morton's season record contained 10 wins and 11 losses, but Mustang fans can look forward to a bright future next season.

FROSH-SOPH BASKETBALL . . . With the Suburban League Championship under their belts and a record of 14 wins and only 1 loss to their credit, this year's Frosh-Soph team and Coach Soucek both have a lot to be proud of.

From the very first to the very last game of the season the Ponies displayed the championship form that won them the title.

Opening the season against R-B, the underclassmen walloped the visiting team 59 to 42. Before the year 1952 ended, the Ponies chalked up four more wins. They beat Waukegan 58 to 46, Evanston 47 to 30, Highland Park 49 to 38, and Oak Park 57 to 38.

New Trier provided the underclassmen with their first win of the new year and sixth straight victory overall. The score was: Morton, 54; New Trier, 42. The following weekend Proviso was added to Morton's growing list of victims.

A game that was tabbed as "crucial" turned out to be just another Morton onslaught. Venturing out to Niles, the Pony five returned home with a 53 to 41 victory over the previously undefeated Trojans.

The eight game winning streak was increased to thirteen with triumphs over Waukegan, Evanston, Highland Park, Oak Park, and New Trier in that order.

With the loss of Dave Kocourek to the varsity team and an inspired Proviso team as their opponents, the underclassmen were defeated 51 to 46, despite the fine team play exhibited by Ron Vistine, Joe Lanzarotta, and Terry Medlicott.

Led by Ted Franz's 15 points; the entire Frosh-Soph squad displayed excellent teamwork and slaughtered Niles for their fourteenth win and last game of the 1952-53 season.

BASEBALL . . . Playing in Peoria, the Morton Mustangs whipped Notre Dame 5-3 capturing the state championship. "This game ended Morton's longest and best baseball season," stated Coach Fencl. This year's diamond men won 23, lost 4, and tied 1. To take the State Tournament the Mustangs had to defeat such highly rated teams as Fenger of Chicago, Edwardsville, Thornton, and of course the runner up, Notre Dame.

The opening game of the regular season resulted in a 7-7 tie with Riverside-Brookfield. Gene Krenek started on the mound but was relieved by Al Springer after giving up 4 runs. In the next three innings, however, Morton scored 5 runs to take the lead. Riverside then regained the lead by scoring three more runs. It looked bad for Morton, but they managed to tie the final score by scoring two runs in the last inning.

Victories came easy for the diamond men in the next three games. They defeated Argo 7-6, 3-2 and they walloped Thornton 6-1.

In a double header at home against Waukegan, Morton chalked up a double victory over the Bulldogs with identical scores; 10-4. Downers Grove provided the Mustangs with an easy victory. Morton scored ten runs to Downers Grove's two. Al Springer was the winning pitcher.

After splitting a twin bill with Highland Park winning to 9 to 3, and losing 5 to 3; Bob Miller pitched and hit the Mustangs to a 6-0 victory over Oak Park. He fanned 8 batters and gave up only two hits and a walk in a superb display of control.

Pitching, hitting, and New Trier errors gave Morton its 5th and 6th Suburban League victories. Miller pitched the opener downing New Trier 8 to 5. Lefty Al Springer went all the way in the second game winning 13 to 3.

In the first game of a double header with Niles, the Niles Trojans were routed 17 to 2 by the Morton Mustangs. We suffered defeat, however, in the second game 3-2.

Morton lost to Oak Park 6 to 5, defeated Proviso, and snatched a double header from Evanston 3-0, and 4-2; thus closing the season. Jecha, Roy, Vanerka, Miller, and the other members of the team were invaluable not only as individual players, but their perfect teamwork inspired the team to victory. A. Springer, R. Mikuta, and F. Miller were selected to the All-state Baseball Team.

The Morton M-Club is composed of varsity lettermen who have been unanimously elected by the whole club. It is devoted entirely to the lettermen and is the goal of all Morton athletes.

At the beginning of each semester, new members are entered into the club. All new members are subjected to the M-Club initiation before they become a full-fledged part of the club.

Some of the functions of the M-Club are: the semesterly student assemblies at which letters are presented to those athletes who have earned enough points in a certain sport; the M-Club Hop at which the M-Queen is elected; and the M-Club picnic which is held during the last part of school in the early part of June.

The officers for the first semester were: Ted Ross, President; Tom Zajicek, Vice-President; Gordon Busby, Secretary; and Rich Vorreyer, Treasurer. Second semester officers were the same except that Bob Shoop took over the vacated spot left by the graduation of Gordon Busby.

FRESHMAN . . . Upon entering Morton, the freshman girl concentrates on learning the fundamentals of soccer, basketball, volleyball, and soft ball. Along with learning the skills and techniques of these games, she finds her physical education program also includes marching, dancing, conditioning exercises, swimming, and hygiene.

SOPHOMORE . . . The sophomore girl renews her acquaintance with the sports introduced to her in her first year at Morton. Once a week she receives instructions in driving. Tests are then given to show her driving ability under certain traffic situations.

If she chooses, the sophomore may enroll in a special class that pertains to a particular phase of physical education. Among these special classes is senior leadership. These girls receive thorough training pertaining to all sports which enables them to assist a regular gym teacher in refereeing games, along with taking the roll.

Creative dance, life saving, and beginning tumbling are other special classes open to the ambitious sophomore.

JUNIOR . . . Being quite familiar with the sports learned in her two previous years, the junior girl derives a great deal of enjoyment from participating in these games. The junior girl's program also includes one semester of Care of the Sick and one of Mother and Baby Care. Red Cross certificates are then awarded to those girls who have satisfactorily completed both courses.

SENIOR . . . Having mastered the skills of speedball, basketball, volleyball, and softball by this time, the senior's sole interest in these games is having fun.

If the senior girl does not already have a Red Cross beginner's swim card, she has to enroll in a special swim class. All seniors must possess a beginner's swim card before they can graduate.

Supplementing the senior girl's program is the course in First Aid. She devotes two periods a week to this course to learn the immediate and temporary care given to a sick or injured person until a physician can be obtained. She also practices the application of neat, smooth bandages of various parts of the body.

GIRL'S ATHLETIC ASSOCIATION . . . The objective of the GAA, part of a statewide organization, is to promote interest in girls sports and healthy living. Participation in the club's intramural program of organized sports such as softball, speedball, basketball, volleyball, and swimming leads to the initiation pin, numerals, and the GAA "M", which are local awards, followed by the "I" and state map, which are state awards. Points may also be earned through unorganized activities such as hiking and tennis.

Among the many activities of the club are the sock hop, the posture contest, playdays, hikes, picnics, and award banquets, which are all looked forward to during the year. Miss R. E. Berman and Mrs. M. K. Campagna are the advisers.

GIRL'S "M" CLUB . . . All energetic, sport conscious girls are offered an opportunity to become better acquainted with all sports through the "M" club. Any girl who has earned 1,000 points by participating in intramural activities, has an 85 average, is able to swim four lengths of the pool, and has had a TB skin test or X-Ray is qualified to join the club.

Although the club promotes interest in sports and their rules and regulations through its intramural program, its chief interest is to aid worthy causes. Each year at Christmas, the club fills food baskets for the less fortunate families in our community, known as blue ribbon baskets.

The girls all look forward to the annual round robin volleyball tournament in which four boys' clubs and four girls' clubs participate in order to show their unique skills and techniques. You can be sure they offer plenty of competition. Besides this, the girls attend plays, sport events, splash parties, pot luck suppers, picnics, and an annual trip to the dunes.

CREATIVE DANCE CLUB . . . The talented young ladies who are enrolled in the creative dance classes compose the membership of this club. Besides perfecting dance techniques used in various school performances, these girls create original dances.

The club activities this year included: attending a pageant, "Adam to Atom"; performing in the operetta, "H. M. S. Pinafore"; and producing "Alice in Wonderland" as a class project. Two banquets were held to honor graduating seniors and those receiving dance "M" awards.

Officers of the club are: President, Charlene Marshall; Vice-President, Lois Kudrnovsky; Secretary-Treasurer, Carolyn Davis; Board Members, Ruth Nickel, Ellen Cwinske, Lael Nudare, and Charlotte Krasny. Miss A. J. Novotny is the adviser.

LIFE SAVING CLUB . . . Any girl who has passed the Red Cross Life Saving test, qualifying her to guard, is eligible to become a member of this fine group of girls who are always alert and able to provide aid to the girls swimming classes.

By guarding, the girls earn points toward the lifesaving "M".

Officers of the club are: President, Diane Nitz; Vice-President, Arlyn Keller; Secretary, Dolores Kral; and Treasurer, Nancy Janecek. Miss R. E. Berman is the adviser.

TUMBLING CLUB . . . The aim of the tumbling club is to bring together girls who are interested and talented in tumbling in order to further their ability. If you can do a forward and backward roll, head stand, limber, back bend, walkovers, cartwheel, and a handspring, you will have no trouble getting admitted into the club.

These girls lend continuous effort to perfect old and new stunts alike. The ease and grace with which they perform their routines makes tumbling appear quite easy, but you can be sure it involves plenty of practice. It's not all work and no play for these girls, however; for they enjoy picnics, banquets and other social activities. Also, they perform in the P. E. demonstration and other shows.

An "M" is awarded to those girls who have earned a required number of points and have participated in all exhibitions. A second award is an emblem on which there is a figure of a girl standing on her hands.

Officers of the club were: President, Rietta Tortorello; Vice-President, Janyce Smith; Secretary, Arlene Dypold; Treasurer, Diane Nitz; Publicity Chairman, Rose Ann Barthel.

Dear Hattie:

We've had a lot of fun together this past year. In G.A., Gym, and the second semester in Drama. I hope we will have more classes together next year.

I hope you have a good time this summer and get a chance to see Ed. It would be nice if you could come to school in the fall with "Good Tidings".

Till I see you again. As always.

Barbara
